

# ① SPACE 'N' TIME *and the* Movement of *matter*

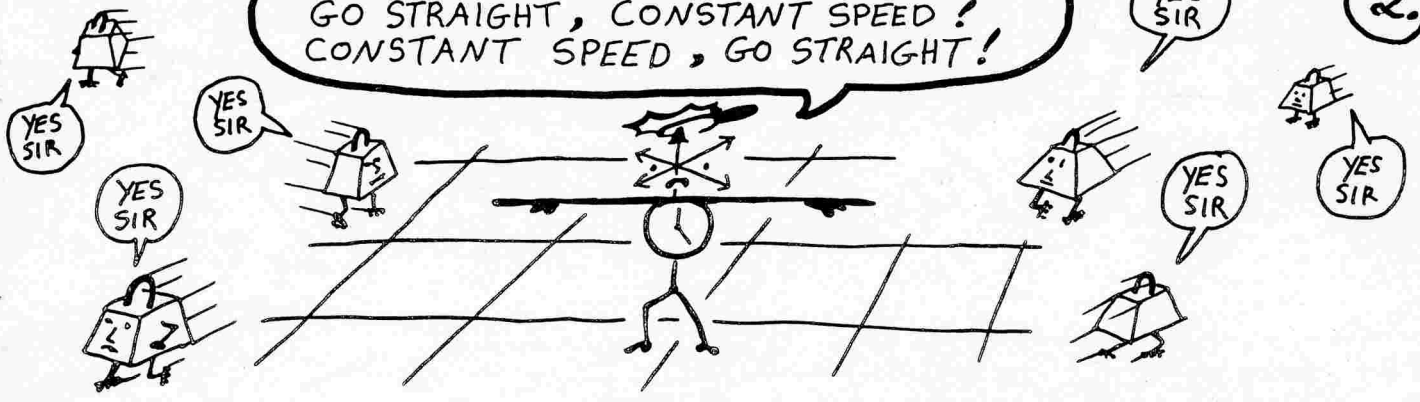

MR SPACE TIME COP

MRS. MATTER

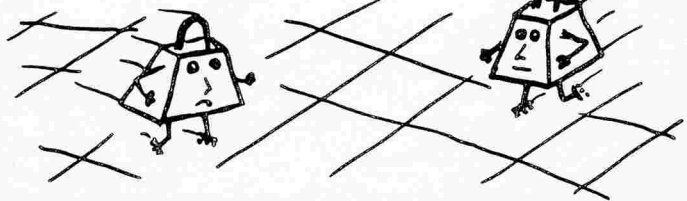

JASON HOMER ©93

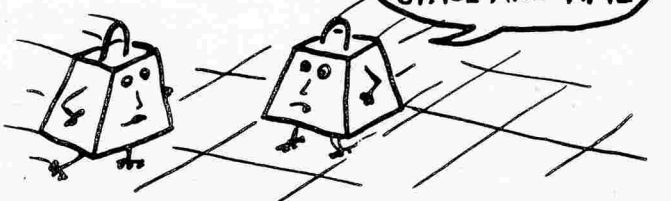

CONSTANT SPEED, GO STRAIGHT!  
GO STRAIGHT, CONSTANT SPEED!  
CONSTANT SPEED, GO STRAIGHT!

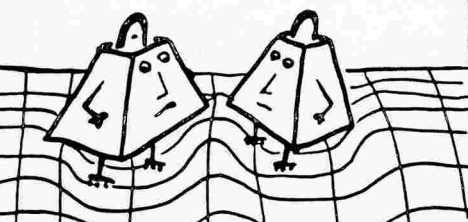

MATTER FELT POWERLESS.  
I HATE BEING DIRECTED BY SPACE AND TIME.  
SPACE AND TIME TELL US HOW TO MOVE.

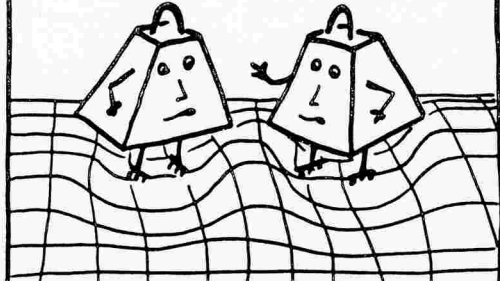

CONSTANT SPEED, GO STRAIGHT.  
CONSTANT SPEED, GO STRAIGHT.  
THAT'S ALL THE COP SAYS.  
THAT'S THE NATURE OF SPACE AND TIME.

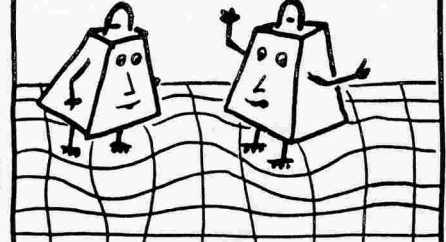

SUPPOSE I WANTED TO CHANGE MY SPEED OR DIRECTION?

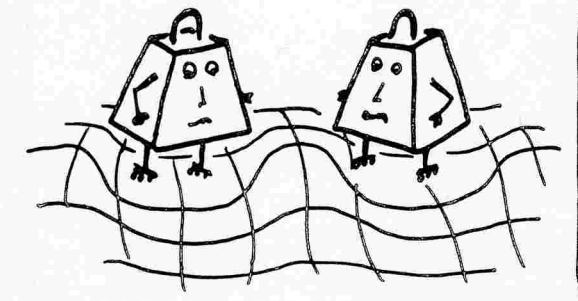

WE CAN'T CHANGE OURSELVES.

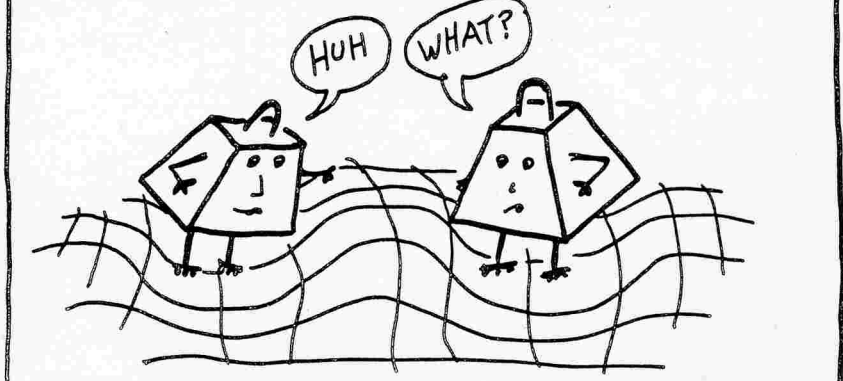

SOMETHING OUTSIDE OF OURSELVES HAS TO FORCE US TO CHANGE.

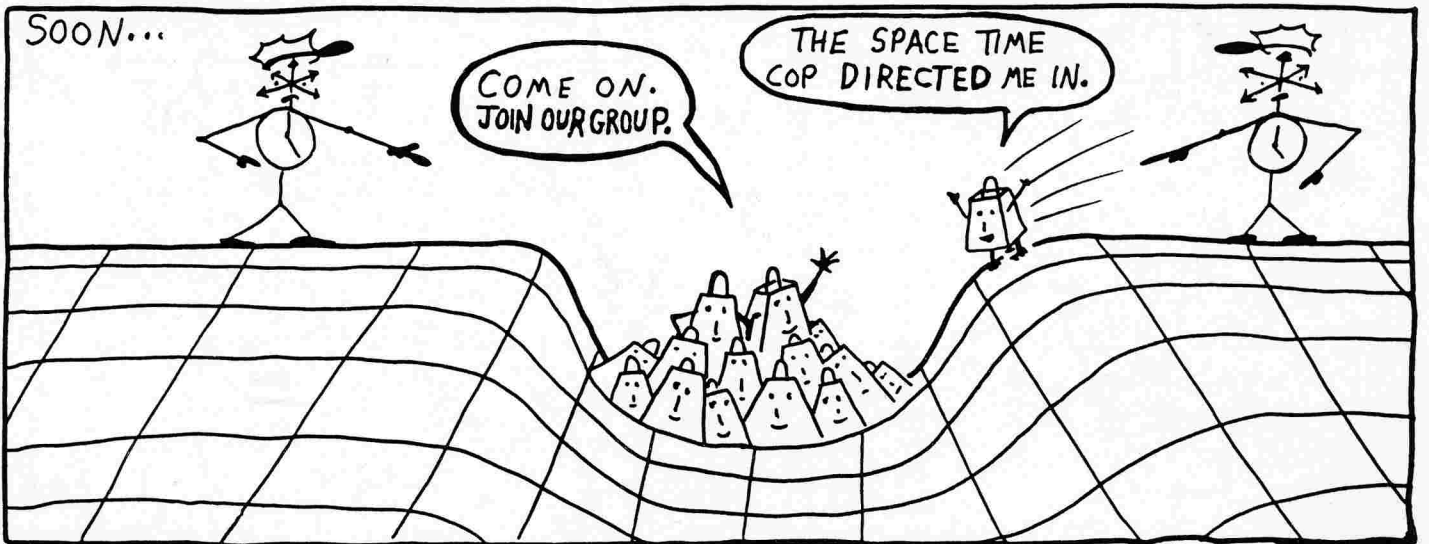

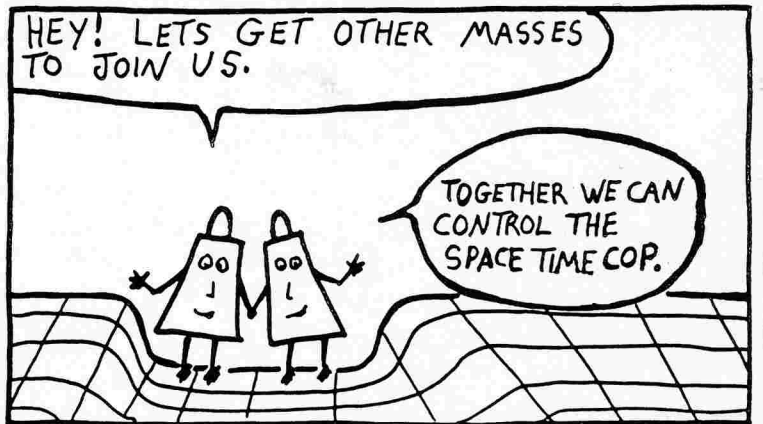

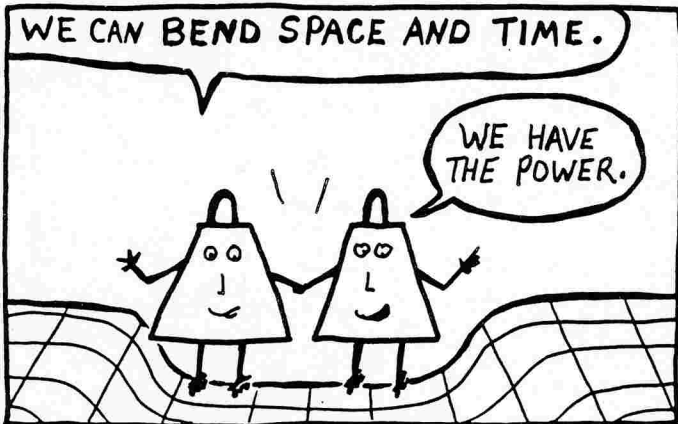

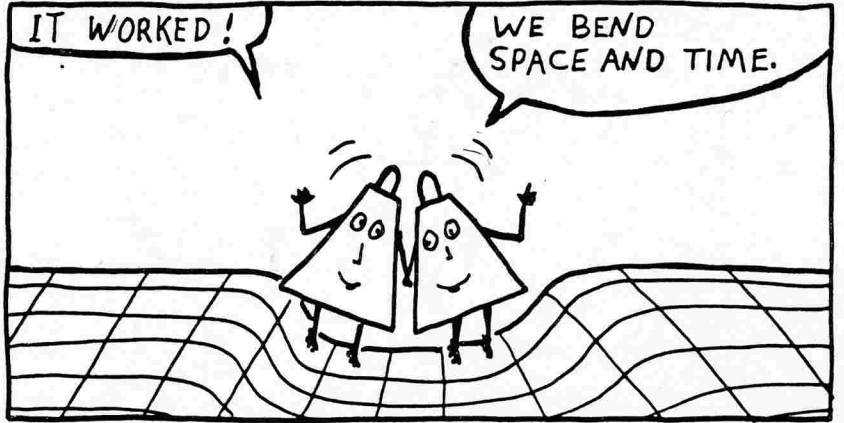

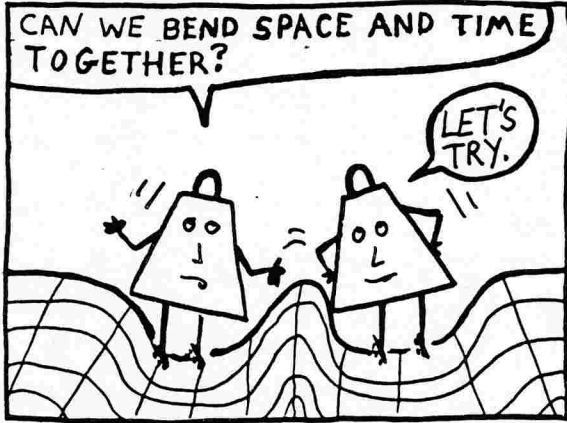

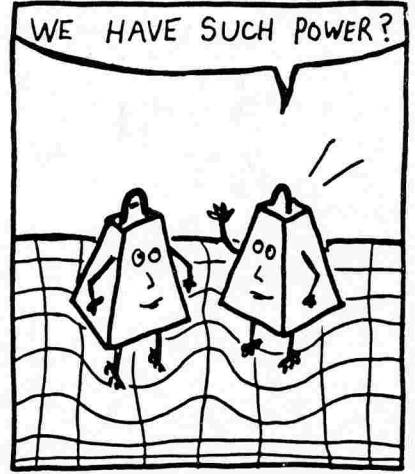

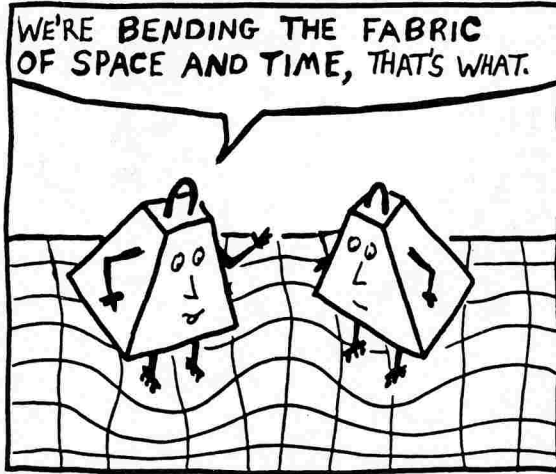

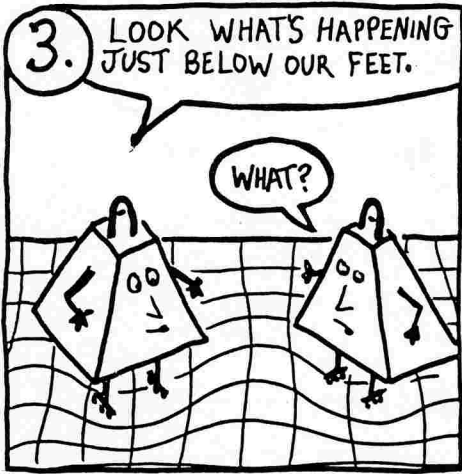

HOW DEPRESSING.  
I KNOW.

THEN THE MASSES NOTICED SOMETHING HAPPENING JUST BELOW THEIR FEET.  
HUH  
WHAT?

THE GROUPS' INFLUENCE GREW. NOW THEY HAD THEIR OWN TRAFFIC REGULATIONS.

WE'VE CREATED A NEW VERSION OF SPACE AND TIME.

ACCELERATE AND CURVE.  
ACCELERATE AND CURVE.  
ACCELERATE AND CURVE.

THE COMMUNITY GREW AND GREW AND GREW AS MORE MASS JOINED IN.

ACCELERATE  
A LOT!  
CURVE  
A LOT!

CURVE A LOT!  
ACCELERATE A LOT!  
CURVE A LOT!

ISN'T IT GETTING A LITTLE CROWDED IN HERE.

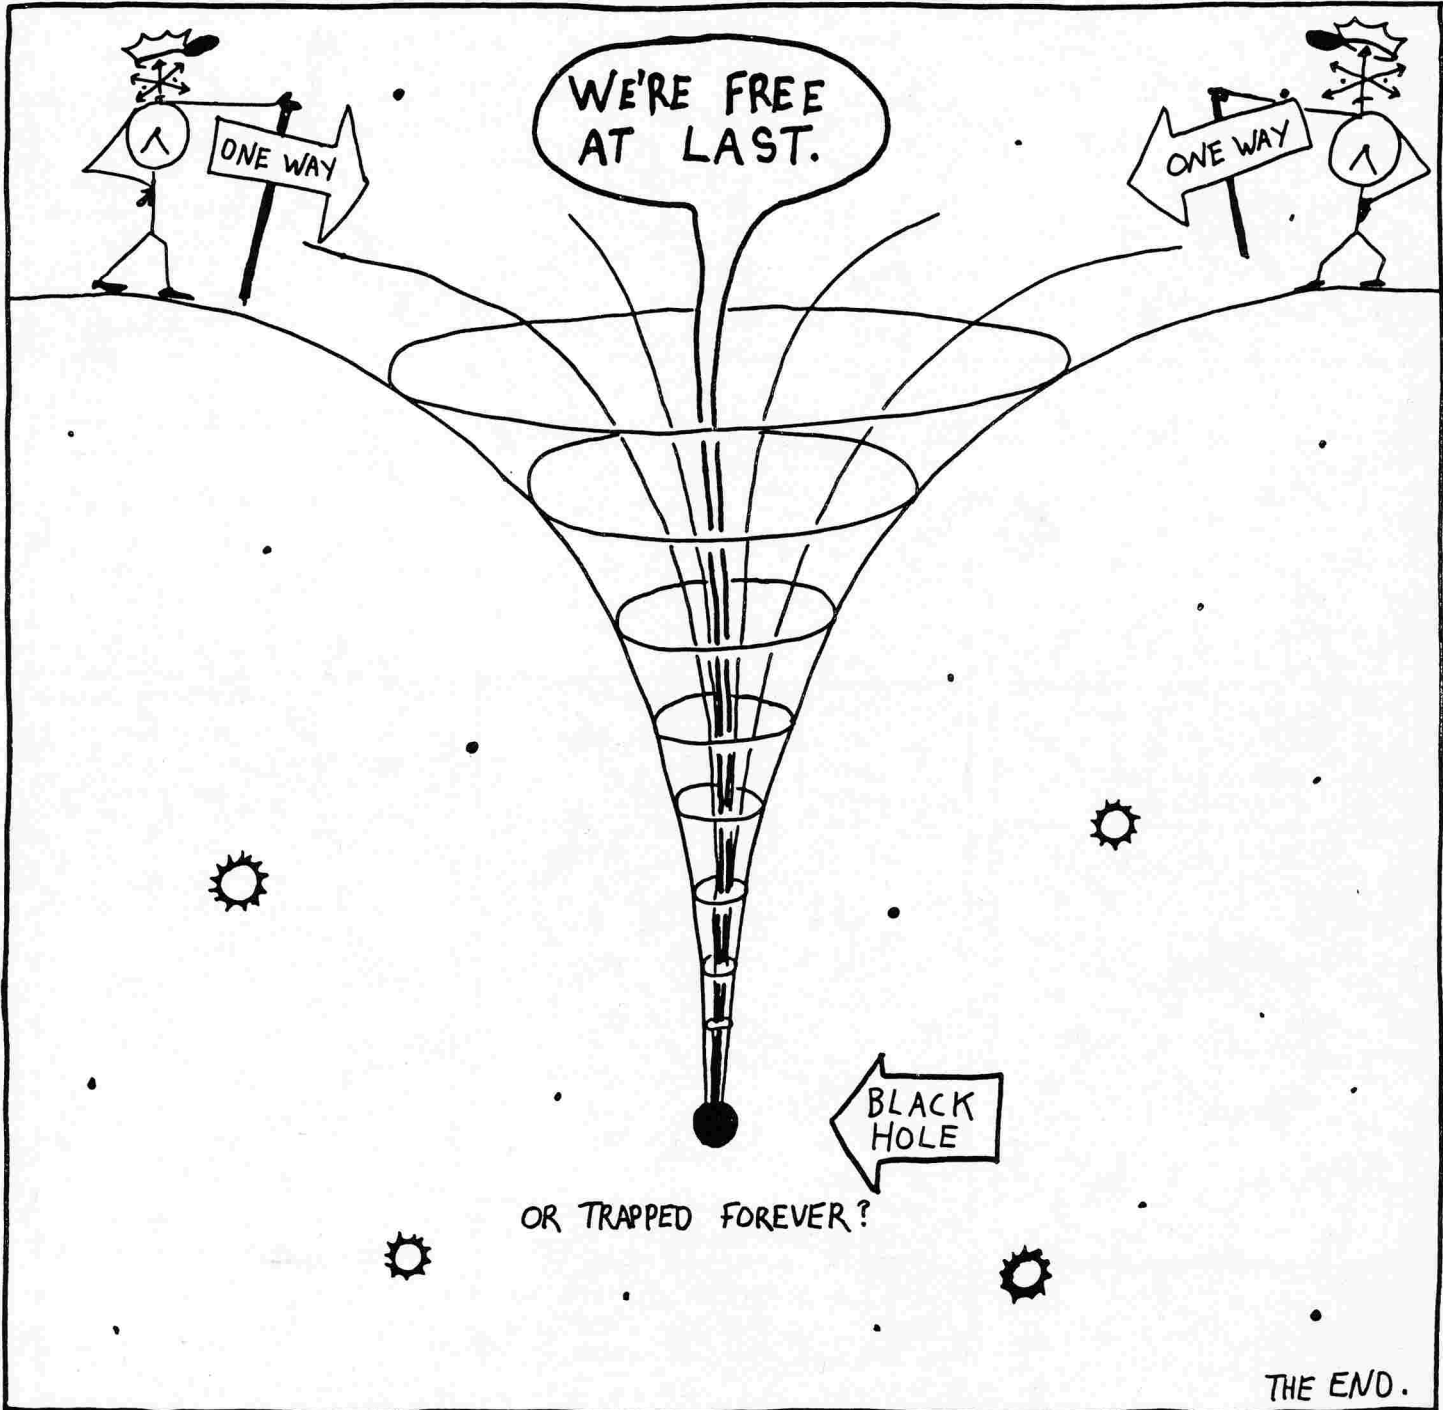

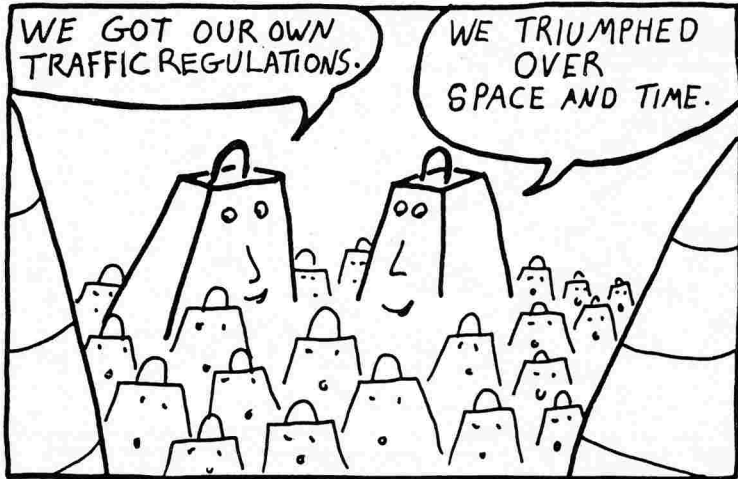

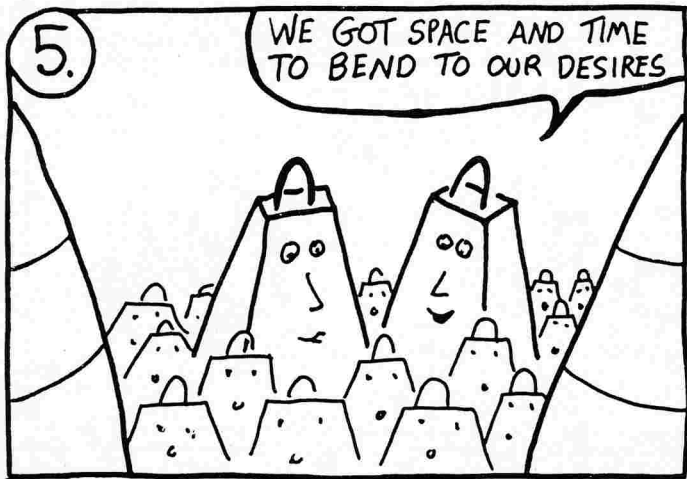

CROWDED YES, BUT WE CHANGED SPACE AND TIME.

5.

WE GOT SPACE AND TIME  
TO BEND TO OUR DESIRES

WE GOT OUR OWN  
TRAFFIC REGULATIONS.

WE TRIUMPHED  
OVER  
SPACE AND TIME.

THE END.
